

ISO 14001:2015 Foundation Course EMS

Perfect for anyone new to ISO 14001, this engaging, course provides delegates with an understanding of an Environmental Management System (EMS) and the requirements of the ISO 14001 Standard.

🕒 1 day course - 08.45-17.30

📊 CQI and IRCA training level - Foundation

📄 CQI and IRCA ref - FD113 (ATP number 1964)

Who should attend this course?

- Those who are contributing to the planning and management of an EMS.
- Anyone who is involved in the implementation of an ISO 14001:2015 Environmental Management System.
- New auditors who need to gain an understanding of an Environmental Management System (EMS) against ISO 14001:2015.
- Auditors who already have knowledge of ISO 14001 but need a refresher.
- People planning to attend an ISO 14001:2015 Internal Auditor or ISO 14001:2015 Auditor Conversion course but don't have existing knowledge of ISO 14001.
- This 14001 Foundation course contributes to the development of those who plan to join the CQI or for registration with IRCA (International Register of Certified Auditors).

What will delegates learn on this course?

- Summary of an Environmental Management System (EMS)
- ISO 14001 principles and terminology
- The ISO 14000 family of Standards
- Requirements of the ISO 14001:2015 Standard
- PDCA (the Plan, Do, Check, Act Cycle)
- Risk-based thinking concept, risks and opportunities
- Aspects and Impacts
- The Process Approach, Continual Improvement

ISO 14001:2015 requires that personnel are “competent on the basis of appropriate education, training, or experience.” This ISO 14001 Foundation course equips delegates with the key knowledge of ISO 14001:2015, allowing their organisation to effectively manage an EMS (Environmental Management System).

What is the format of this course?

- Our Virtual and Classroom courses combine tutor-led sessions interspersed with individual and team-based exercises (approx. 25% theory and 75% practical).
- The Online version of this course consists of 10 training modules, which include lessons in the form of presentations, videos, animations, engaging activities, and quizzes. The bite-size modules are approx. 40 minutes each, so can easily be completed around other commitments. After booking the course, joining instructions are sent via email – these will include unique log-in details along with links to the Digital Learning Portal. Delegates have 30 days to complete the course, access ends upon completion.

What is the course assessment?

- Delegates attending a Virtual or Classroom course will be assessed on their participation and general performance during the course, including any interactive exercises and activities.
- Delegates learning via the Online course will have knowledge checks in the form of quizzes throughout the course.
- 100% course attendance is required (CQI and IRCA rules).

What certificate is provided?

- A CQI and IRCA certificate

What is included in the course fee?

- A CQI and IRCA certificate

Virtual and Classroom courses also include:

- Pre-course work to help prepare for training (Training Toolkit)
- Delegate training manual
- Post-course notes
