

ISO 14001:2015 Internal Auditor Course EMS

This engaging, interactive course provides delegates with the required knowledge to conduct an internal audit of part of an Environmental Management System (EMS) against ISO 14001:2015.

🕒 2 day course - 08.45-17.30

📊 CQI and IRCA training level - Practitioner

■ CQI and IRCA ref - PT218 (ATP number 1963)

Who should attend this course?

- New or existing auditors who need to conduct internal audits of an environmental management system (EMS) against ISO 14001:2015.
- Anyone implementing, planning or managing an ISO 14001:2015 environmental management system.
- People who wish to identify any gaps in the effectiveness of an organisation's Environmental Management System.
- This course satisfies the training requirement for anyone wishing to register as an Auditor with IRCA (International Register of Certified Auditors).

Prior knowledge requirements - anyone new to ISO 14001 may benefit from attending our ISO 14001 Foundation course before this Internal Auditor course to gain prior knowledge of the Standard (we offer a £50 discount when booking both courses together).

What will delegates learn on this course?

- The purpose of an EMS (Environmental Management System)
- The role and responsibilities of an ISO 14001 Internal Auditor
- Audit scope and criteria
- Audit objectives
- Planning and preparation of audits
- Development of a checklist
- How to conduct process audits
- Reporting audit findings
- Following up on a previous audit
- Skills for interviewing

ISO 14001:2015 requires personnel to be competent – this internal auditor course provides essential skills and knowledge to help delegates become fully competent auditors.

What is the format of this course?

- Offering an engaging learning experience, the course combines educational tutor-led lessons and interactive activities to secure learning (approx. 25% theory and 75% practical).
- A case study is used during the course, allowing delegates to secure new skills.

What is the course assessment?

- Assessment is based on a delegate's engagement and general participation during the ISO 14001 internal auditor training, including individual and group activities.
- Delegates will be required to complete a short multiple-choice test on the last day of the course.
- 100% attendance is required on this EMS internal auditor course (per CQI and IRCA rules).

What certificate is provided?

- A CQI and IRCA certificate

What is included in the course fee?

- Pre-course work to help prepare for training (Training Toolkit)
- Delegate training manual
- Case Study documents
- Post-course notes
- CQI and IRCA certificate
- Lunch and refreshments (applicable when training on a public course at one of our venues)
