INFORMATION SECURITY

ISO/IEC 27001:2022 Foundation Course ISMS

An entry-level, informative course designed for anyone new to ISO 27001:2022. This course provides delegates with an understanding of an Information Security Management System (ISMS) and the requirements of the ISO/IEC 27001:2022 Standard.

🕐 1 day course **-** 08.45-17.30

📶 CQI and IRCA training level **-** Foundation

🟦 CQI and IRCA ref **-** FD134 (ATP number 2563)

Who should attend this course?

- New auditors who wish to gain an understanding of an information security management system (ISMS) against ISO 27001:2022.
- Anyone who is implementing an ISO 27001:2022 Information Security Management System.
- People who are involved in planning or managing an ISMS.
- Existing auditors who need a refresher on ISO/IEC 27001 or need to update to the 2022 edition.
- Those looking to attend an ISO 27001:2022 Internal Auditor, ISO 27001:2022 Lead Auditor, or ISO 27001:2022 Auditor Conversion course but don't have the required prior knowledge.
- This course contributes to the development of personnel wishing to join the CQI or those wishing to register as an Auditor with IRCA (International Register of Certified Auditors).

What will delegates learn on this course?

- What is an Information Security Management System (ISMS)
- ISMS principles and terminology
- ISO 27000 family of Standards – ISO 27000, ISO 27001, ISO 27002, etc.
- Interpreting the requirements of the ISO/IEC 27001:2022 Standard
- The Process Approach
- The PDCA Cycle
- Risk management
- Continual Improvement

This course includes a Guide which explains the fundamental changes between ISO 27001:2013 and ISO/IEC 27001:2022.

ISO/IEC 27001:2022 requires organisations to ensure that personnel are "competent on the basis of appropriate education, training, or experience". This Foundation course provides delegates with essential knowledge of the Standard to enable organisations to manage their ISMS effectively.

What is the format of this course?

- Using various teaching techniques, the tutor combines tutor-led sessions and engaging activities to secure learning (approx. 25% theory and 75% practical).

What is the course assessment?

- On this ISMS Foundation course, delegates will be assessed on their general engagement with the course, including any practical activities.
- Delegates must attend 100% of the course (in accordance with CQI and IRCA requirements).

What certificate is provided?

- A CQI and IRCA certificate

What is included in the course fee?

- Pre-course work to help prepare for training (Training Toolkit)
- Delegate training manual
- Post-course notes
- A guide explaining the key changes between ISO 27001:2013 and ISO/IEC 27001:2022.
- A CQI and IRCA certificate

This course has the following learning styles available:

In-house
team training

Traditional
Classroom

Scheduled
public course

Live Virtual
Classroom

Why choose Batalas?

Founded in 1962, we have over 60 years' experience providing specialist consultancy and training in ISO/AS Management Systems.

"The tutor was brilliant – really friendly and hilarious. She explained things well and was happy to answer any questions. I attended the 9001 foundation and internal auditor course with Batalas, and now the ISO 27001. I would always recommend Batalas."

Holly Smith – Quattro Pensions
