

 **INFORMATION SECURITY****ISO/IEC 27001:2022 Internal Auditor Course ISMS**

A CQI and IRCA-certified internal auditor course which teaches the knowledge and skills required to conduct an internal audit of part of an Information Security Management System (ISMS) against ISO/IEC 27001:2022.

 2 day course - 08.45-17.30 CQI and IRCA training level - Practitioner CQI and IRCA ref - PT220 (ATP number 2562)**Who should attend this course?**

- New or existing auditors who need to conduct internal audits of an information security management system (ISMS) that conforms to ISO/IEC 27001:2022.
- Anyone planning, managing or implementing an ISO 27001:2022 information security management system.
- People who need to identify any potential gaps in the effectiveness of an ISMS.
- This course satisfies the training requirement for anyone who plans to register with the IRCA (International Register of Certified Auditors) as an Auditor.

Prior knowledge requirements - delegates who do not have knowledge of ISO/IEC 27001:2022 would benefit from attending our Foundation course before this Internal Auditor course (we offer a £50 discount when booking both courses together).

What will delegates learn on this course?

- The purpose of an Information Security Management System
- Audit scope and criteria
- Audit objectives
- The role of an Internal Auditor
- ISO 27001 Internal Auditor responsibilities
- How to plan and prepare for an audit
- Checklist development
- Conduct a process audit
- Report on audit findings
- Follow up on a previous audit
- Key interview techniques and skills

This course includes a helpful guide that explains the key changes between ISO 27001:2013 and ISO/IEC 27001:2022. ISO/IEC 27001:2022 specifically requires personnel to be competent – this course provides essential skills and knowledge to help delegates become fully competent auditors.

What is the format of this course?

- The highly interactive course is taught via tutor-led sessions, practical activities, and individual and team-based exercises (approx. 25% theory and 75% practical).
- A case study enables delegates to develop and secure new auditing skills.

What is the course assessment?

- Delegates will be assessed based on their general participation during the course and involvement in the interactive exercises and audit simulation.
- There will be a short multiple-choice test on the final day of this ISO 27001 Internal Auditor course.
- Delegates must attend 100% of this course (per CQI and IRCA rules).

What certificate is provided?

- A CQI and IRCA certificate

What is included in the course fee?

- Pre-course work to help prepare for training (Training Toolkit)
- Delegate training manual
- Case Study documents
- Post-course notes
- A guide explaining the fundamental changes between ISO 27001:2013 and ISO/IEC 27001:2022
- CQI and IRCA certificate
- Lunch and refreshments (applicable when training on a public course at one of our venues)

This course has the following learning styles available:

In-house
team training

Traditional
Classroom

Scheduled
public course

Live Virtual
Classroom

Why choose Batalas?

Founded in 1962, we have over 60 years' experience providing specialist consultancy and training in ISO/AS Management Systems.

"Our trainer was really knowledgeable and engaging. There was a lot of material to get through, but he kept it interesting. Just the right amount of participation to allow us to practice what we learnt. Thanks!"

Dawn Swift - Perspectum-Diagnostics

ISO 27001 Internal Auditor
