## ISO 9001:2015 Risk-Based Thinking Workshop

An interactive and engaging workshop for ISO 9001:2015 auditors and implementers at all levels, which will enable delegates to provide effective risk-based thinking within their organisation.

### Who should attend this workshop?

- The workshop is aimed at experienced auditors/implementers of any business or organisation certified to, using, or implementing ISO 9001:2015 (this workshop is not suitable for other ISO standards).

### What will delegates learn?

- Risk definition and categories
- Risk-based clauses in ISO 9001
- Risk management
- Risk evaluation and data analysis

### What is the format of the training?

- A tutor-led workshop, where the tutor facilitates discussions and activities to impart knowledge.

### What is the assessment?

- Delegates will be assessed on their participation and general performance during the workshop, including any interactive exercises and activities. 100% attendance is required.

### What certificate is provided?

- A Batalas certificate is provided after completing the Risk-Based Thinking (RBT) workshop.

### What's included in the workshop fee?

- Delegate training manual and Batalas certificate.

### This workshop has the following learning styles available:

In-house  
team training

Live Virtual  
Classroom

### Why choose Batalas?

Founded in 1962, we have over 60 years' experience providing specialist consultancy and training in ISO/AS Management Systems.
