

AS9100:2016 Rev D Introduction

This highly interactive short course is perfect for anyone who wishes to have AS9100 training online; as an entry-level training course, it provides delegates with a basic knowledge of the structure and core concepts of the AS9100 Rev D Standard.

 Approx. 2 hours

 Training level - Introduction

Who should attend this course?

- Anyone who is new to ISO standards and is looking to gain knowledge of the AS9100:2016 Rev D clauses.
- Those who already work as an AS9100 auditor but need a refresher.
- Organisations that are working towards AS9100 and need to ensure a basic level of understanding of the standard for staff at all levels.

Please note - this course is not sufficient for delegates who require prior knowledge before attending an AS9100 Internal Auditor or AS9100 Lead Auditor course; an AS9100 Foundation course is recommended in this instance.

What will delegates learn on this course?

- What is quality?
- Quality management requirements
- The history of ISO 9001 & AS9100
- Annex SL
- Plan, Do, Check, Act Cycle – PDCA
- The 7 Quality management principles
- The clauses of the Standard

What is the format of this course?

- This AS9100 online course consists of interactive lessons, animation, and knowledge checks throughout. The lessons are bite-sized, so they can easily be completed in a break at work, on your commute, or fitted in around other activities.
- Delegates will have access to the online course for 30 days, allowing time to fit in the training around other commitments.

What is the course assessment?

- There are engaging quizzes throughout the AS9100 online introduction course to test your knowledge of the AS9100 Standard.

What certificate is provided?

- A Batatas certificate.

What equipment is required for this online course?

- Delegates do not require any software for this online course; they just need an internet-connected device (desktop, laptop, tablet or mobile) with audio equipment (headphones/speakers).

This course has the following learning styles available:

Online
self-paced
